Parent and Player Contract

Financial Commitment

Player Fees cover court rental fees, trainer fees, equipment fees, uniforms and tournament fees.

Player fees will be payable at the first official team practice.

Player fees must be received by the due date or player will not be permitted to practice or

participate in any tournaments. If a player is overly delinquent in player fee, he or she will

be removed from our rosters.

PLAYER FEES ARE NON-REFUNDABLE.

Any payment concerns or discrepancies must be made in writing to the director.

Practice

Travel basketball is a huge commitment for players and parents. The only way to improve is to attend practice. If you are unable to attend practice, please notify your coach 24 hours prior to scheduled practice. Players who do not attend practices will see

their playing time diminish. Repeated missed practices may result in dismissal from the

program.

Tournaments

Most tournaments are either 1-day, 2-day or a 3-day event. Most 1-day events take place

on Saturday, 2-day events cover both Saturday and Sunday and some large tournaments

stretch across Friday evening, Saturday and Sunday.

Exact game schedules are often not available until just before the tournament begins.

This is due to team withdrawals, changes, late entries as well as unforeseen issues, all of

which impair the number of games, schedule and match ups. Please understand that there is always the possible of last minute schedule changes.

EACH TOURNAMENT WILL MAKE THEIR OWN SCHEDULE AND WILL HAVE THEIR OWN

RULES.

Tournaments, like practices, are required for all players. Players are expected to inform

coaches at the earliest possible time if they must miss a tournament or game.

Coaches

We are proud of our coaching staff. Their goals are to play and to win while developing individual skills, enhancing chemistry and improving each player's knowledge of the game. Playing time will vary according to team, and is not guaranteed. Playing time is considered to be earned through performance both at practice and in previous games. Each team member will enter into at least one game during the course of a

tournament. All other playing time is determined by the coach, and is non---negotiable.

Every team wants to win, and in a competitive travel tournament, the coach will play the

players required to help the team perform best.

Parents are NOT permitted to confront the coaches during tournaments to discuss playing time, tactics, individual, or team performance. If there are questions or concerns

that need to be discussed, please set up an appointment with the coach privately. We are more than willing to discuss any parent concerns in an appropriate time and place.

Opponents

Players and parents will show respect to our opponents. Our program will play (win or lose) with class and dignity. Players will shake hands and congratulate opponents after a

game. Our players will help an opponent off the floor. Our players will maintain a positive attitude in any communication with opponents.

Referees

Referees have a difficult job to do and are to be treated with respect. Players and parents

will accept all calls, "move past" what they consider to be questionable, and play on. A player that argues a call will immediately be removed from the game. A parent that argues a call will be asked to stop and will be asked to leave the gym if the unsporting conduct continues. Coaches will be the only representatives talking to the officials.

Off the court

Players and Parents agree to hold themselves to these same high standards off the court. Players agree and understand that academics and family responsibilities come first. We expect all players to maintain at least a “C” average in all subjects.

Disparaging remarks about teammates, coaches or opponents will not be permitted. (This includes any social media.) Participating in the Apex Spurs Basketball program is a privilege. This privilege can be revoked as a result of any conduct considered to be detrimental to players, families or Apex Spurs Basketball Program.

By signing, we (player and parent) understand and agree to uphold the highest standards and to abide by the above mentioned principles and to act in a manner that reflects well on our Apex Spurs community.
