## **PARENT AND PLAYER CONTRACT**

**(PLEASE READ IN ENTIRELY PRIOR TO SIGNING ACKNOWLEDMENT)**

### **FINANCIAL COMMITMENT**

Player Fees cover court rental fees, trainer fees, equipment fees, uniforms and tournament fees.

Player fees will be payable at the first official team practice.

Player fees must be received by the due date or player will not be permitted to practice or participate in any tournaments. If a player is overly delinquent in player fee, he or she will be removed from our rosters.

### **REFUND POLICY**

**NO** refunds will be granted after a player has committed to the team/season.

**INJURY REFUND:** In the event a player sustains a "season ending injury" and the player will miss time but can return, the Injury Refund will not apply. If, however the player cannot physically return at any point for the rest of the season, refund will be considered and will be determined based on amount of time player was physically able to participate in the season. Doctor's note stating the player cannot return is required for refund consideration.

**There is no refund for quitting the team at any point during the season.**

Any payment concerns or discrepancies must be made in writing to the director.

Limited financial assistance is available for players who are able to show a financial need. Please contact director to complete a financial assistance application. Applications must be submitted prior to first scheduled practice to be considered. A limited number of scholarships are available and will be given on a first come basis.

## **PRACTICE**

Travel basketball is a huge commitment for players and parents. The only way to improve is to attend practice. If you are unable to attend practice, please notify your coach 24 hours prior to scheduled practice. Players who do not attend practices will see their playing time diminish. Repeated missed practices may result in dismissal from the program.

### **INJURIES AND PRACTICE**

Injuries are not an excuse to miss practice.

In cases of mild injuries, players are still expected to report to practice. While the player may not be able to fully participate in practice, there may be drills and skills that players may be able to participate in despite their injury. Furthermore, we may learn new offenses and defenses that players can get acclimated with despite being injured.

In cases of serious injuries that may render a player unable to complete the season or completely unable to walk without assistance, a player may be excused from practice.

## **COACHES**

We are proud of our coaching staff. Their goals are to play and to win while developing individual skills, enhancing chemistry and improving each player's knowledge of the game. Playing time will vary according to team, and is not guaranteed. Playing time is earned through performance both at practice and during games. Each team member will enter into at least one game during the course of a tournament. All other playing time is determined by the coach, and is non-negotiable.

## **TOURNAMENTS**

Most tournaments are either 1-day, 2-day or a 3-day event. Most 1-day events take place on Saturday, 2-day events cover both Saturday and Sunday and some large tournaments stretch across Friday evening, Saturday and Sunday.

Exact game schedules are often not available until just before the tournament begins.

This is due to team withdrawals, changes, late entries as well as unforeseen issues, all of which affect the number of games, schedule and match ups. Please understand that there is always the possibility of last minute schedule changes.

**EACH TOURNAMENT WILL MAKE THEIR OWN SCHEDULE AND HAVE THEIR OWN RULES. Each tournament will also require daily/weekend admission fees that typically range \$10-\$30.**

Tournaments, like practices, are required for all players. Players are expected to inform coaches at the earliest possible time if they must miss a tournament or game.

Every team wants to win, and in a competitive travel tournament, the coach will play the players required to help the team perform best.

Parents are NOT permitted to confront the coaches during tournaments to discuss playing time, tactics, individual, or team performance. If there are questions or concerns that need to be discussed, please set up an appointment with the coach privately. We are more than willing to discuss any parent concerns in an appropriate time and place.

## **OPPONENTS**

Players and parents will show respect to our opponents. Our program will play (win or lose) with class and dignity. Players will shake hands and congratulate opponents after a game. Our players will help an opponent off the floor. Our players will maintain a positive attitude in any communication with opponents.

## **REFEREES**

Referees have a difficult job to do and are to be treated with respect. Players and parents will accept all calls "move past" what they consider to be questionable, and play on. A player that argues a call will immediately be removed from the game. A parent that argues a call will be asked to stop and will be asked to leave the gym if the unsporting conduct continues. Coaches will be the only representatives talking to the officials.

## **OFF THE COURT**

Players and Parents agree to hold themselves to these same high standards off the court. Players agree and understand that academics and family

responsibilities come first. We expect all players to maintain at least a “C” average in all subjects.

Disparaging remarks about teammates, coaches or opponents will not be permitted. (This includes any social media.) Participating in the Apex Spurs Basketball program is a privilege. This privilege can be revoked as a result of any conduct considered to be detrimental to players, families or Apex Spurs Basketball Program.

## **UNIFORMS**

Uniforms are property of Apex Spurs Basketball. Each player will be issued a uniform at each tournament. Uniforms will be returned at the conclusion of each tournament. Between games, we ask that players either take uniforms off or wear some type of clothing to protect uniforms from stains. A representative from Apex Spurs Basketball will be responsible for routine maintenance of uniforms between usages. We ask that you do not wash uniforms independently unless approved by a member of our staff. In the event a uniform is damaged or lost, a \$75 replacement fee will be assessed and player will not be permitted to play in any tournament until fee is paid.

## **COVID-19 SAFETY PROTOCOL**

To ensure the safety and well-being of our basketball family and decrease the risk of spreading COVID-19, we will follow all CDC recommendations, federal guidelines and all other safety protocols and will ensure that our practice facilities have proper sanitation protocols in place. Practices and tournaments from here will look a lot different than what we are accustomed to as this will be a time of us adjusting to what will likely be our “new normal”.

All players will be required to have their temperature taken prior to entering the gym for practices. Any player with temperature greater than 100 degrees will not be allowed to practice. If any player, or member of their family, is not feeling well or has any signs or symptoms of COVID-19 (fever, cough, shortness of breath, new loss of sense of taste/smell), we ask that they not participate in practices.

All players will be required to wash their hands with soap and water and/or hand sanitizer prior to entering the gym area for practices.

Face masks are required upon entering and leaving ALL facilities including practice facility and tournament facility.

At all facilities (practice and tournament), we will practice social distancing and maintain 6ft distancing when possible.

Each team will use basketballs provided by Apex Spurs Basketball. We will be clean and sanitize all basketballs and equipment following each practice. We ask that players not bring their personal basketball to practice and only bring necessary personal items inside the gym.

Only one team allowed in the gym during specified practice times. Otherwise, we ask that each player/team wait outside until their specified practice time to limit the number of people in the gym at any given time. We ask that players gather their belongings and exit the facility immediately following practice. There will be no shooting around after practices.

Only players, coaches and team parents/representatives will be allowed inside the gym during practices. Parents/family members are asked to wait outside of the facility during practices. Emergencies will be considered, however we are limiting the number of people inside the gym at any given time.

Each player will need to bring their supply of water as water fountains at ALL facilities will be closed/off limits.

Apex Spurs Basketball will allow time between practices to sanitize gym area when using our home gym locations. When using outside facilities, we will follow COVID-19 protocols for that specific location.

Each tournament will have their own COVID-19 protocol, which we will follow in addition to those set for by Apex Spurs Basketball.

Please make sure that each player and family follow these safety measures to reduce the risk of spreading/contracting COVID-19.
